

Appendix 3B - amended

Proposed issue of +securities

Information and documents given to ASX become ASX's property and may be made public.

If you are an entity incorporated outside Australia and you are proposing to issue a new class of +securities other than CDIs, you will need to obtain and provide an International Securities Identification Number (ISIN) for that class. For offers where the +securities proposed to be issued are in an existing class of security, and the event timetable includes rights (or entitlement for non-renounceable issues), and deferred settlement trading or a representation of such, ASX requires the issuer to advise ASX of the ISIN code for the rights (or entitlement), and deferred settlement trading. This code will be different to the existing class. If the securities do not rank equally with the existing class, the same ISIN code will be used for that security to continue to be quoted while it does not rank.

Further information on the requirement for the notification of an ISIN is available from the Create Online Forms page. ASX is unable to create the new ISIN for non-Australian issuers.

**Denotes minimum information required for first lodgement of this form, with exceptions provided in specific notes for certain questions. The balance of the information, where applicable, must be provided as soon as reasonably practicable by the entity.*

+Security holder approval	31/5/2022	Estimated	No	As set out in the Company's ASX announcement released today on launch of the equity raising, if following completion of the Offer, Hawke's Point's (and its associates') voting power in the Company is less than its voting power prior to the Offer, the Company has committed to issue to Hawke's Point (via a placement) a number of shares which will result in Hawke's Point (and its associates') voting power being equal to its pre-Offer voting power on the same terms as the Offer, subject to the Company obtaining the prior shareholder approval in accordance with the ASX Listing Rules. To the extent Hawke's Point's (and its associates') voting power after the Offer is equal to or greater than their pre-Offer voting power, then no shares will be issued to Hawke's Point under the Placement and the Company will not seek shareholder approval. There is no shareholder approval required for the placement issue of 100,000,000 shares (as Hawke's Point is not participating).
